- Benton/Tama Nutrient Reduction Demonstration Project

Free lunch provided by Benton County Cattlemen’s Association & Sand County Foundation

August 25, 2015 Selecting Your Best Cover Crop

Field Day at Rodgers Park, Vinton, IA 9 am-1 pm

Ever wondered about trying cover crops? What cover crop(s) should you select? When should you put them in? Better yet – how should you plant them? How many acres should you start with?

Each farming operation is unique, and this field day should help answer all of your cover crop questions – just in time to buy your seed!
